## Book Talk Tips:

- Keep it short. 1-2minutes long (should not have a lot details)
- Think of it like a movie trailer. The purpose of a Book Talk is to "sell" the book.
- Choose a book you really liked. Most important thing, tell why you liked the book!
- Don't give away the important parts, like the ending.
- You can read a really good passage from the book.
- One idea is to end with a cliff-hanger
- You may have a visual prop if you'd like.
