

DCS Montessori Summer Camps

GENERAL INFORMATION

GET READY FOR FUN WITH FRIENDS!

July 2017

Welcome to the DCS Montessori Summer Camp Catalog!

If your child is presently enrolled or will be a student at our school for the 2017-2018 School Year, they are eligible to attend our Summer Camps! We have a HUGE variety of camps for you this year. As you view the camp selection, you'll see the grade level listed at the end of each camp title.

Please contact us at admin@dcsmontessori.org with any questions you might have.

Is a camp full? Just go to the website and sign up, it will place you on the wait list for that camp.

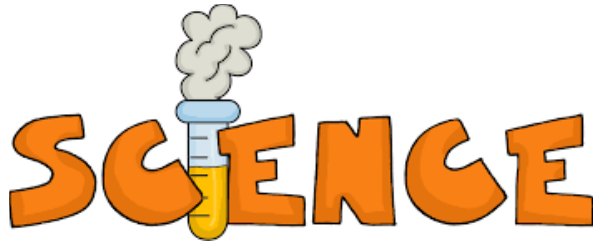

Elementary / Middle School Camps run from 9am-3pm. Students will bring a snack, water bottles and lunch and get ready for a great day! You'll see the grades they will accept for enrollment after the name of each camp - remember, to use your child's grade for next school year.

Primary Camps are a half day camp from 9am-noon. These camps are for students entering Preschool and Kindergarten, current Kindergartners are also welcome. All students must be at least 3 years of age and must be completely independent in their toileting. We cannot permit diapers nor pull-ups.

Primary Afternoon Child Care is offered weekly to students enrolled in our morning Primary Camps. Pack a lunch and send in bedding (crib sheet, blanket and a stuffed animal to cuddle) for nap time and we will take care of the rest. Space is very limited and is for students enrolled in a Primary Camp of the same week. And again, all students must be at least

Primary Hands On Science Camp <1 spots left

Start Date: 07/10/17 End Date: 07/14/17 Start Time: 9:00 AM End Time: 12:00 PM Class Number: 2017 Primary Science 7/10-7/14 Price: \$135.00 Instructor: Colson, Greta Class Min: 5 Class Max: 20

During this week, we want to use children's curiosity with hands on activities to engage their minds in scientific

discovery. Science is everywhere around us and we want to explore how things work and answer questions like "What if?" The classes will be full with lots of experiments and projects to take home. We will watch science videos, have some scientific water fun, a bit of exercise each day and we plan to make crafts as well. The camp will be offered for two separate weeks but we will do different activities each week. Science is fun and we don't want you to miss it.

Primary Mini Master Chefs Camp < Full

Primary Afternoon Child Care for Chef and Science Camps < Full

Crochet Camp 1-8 < 4 spots left

Start Date: 07/10/17 End Date: 07/14/17 Start Time: 9:00 AM End Time: 3:00 PM Class Number: 2017 Crochet Camp 7/10-7/14 Price: \$230.00 Instructor: Howell, Chrissy Class Min: 5 Class Max: 15

Join us for a week of creativity and fun as we learn and experience the art of crochet. We will learn various stitches from chaining to single and double crochet. This will be a great camp for anyone who loves to create and craft - We will not only learn how to make a variety of projects from hats and scarves to blankets and bags - but we will have lots of time to finish our projects too! We plan to spend some time outside playing and enjoying the sun each day as well. Beginner and advanced crocheters are welcome! All supplies will be provided. This camp is for students who are entering 1st - 8th grades next school year.

Hiking the Great Outdoors 1-6 < FULL

Primary Astronomy Camp < Full

Primary Afternoon Child Care for Astronomy Camp < 5 spots left

Start Date: 07/17/17 End Date: 07/21/17 Start Time: 12:00 PM End Time: 3:00 PM Class Number: 2017 Afternoon Child Care Astronomy 7/17-7/21 Price: \$135.00 Instructor: Howell, Chrissy Class Min: 5 Class Max: 10 See cover page for details.

Start Date: 07/17/17 End Date: 07/21/17 Start Time: 9:00 AM End Time: 3:00 PM Class Number: 2017 Fun Adventures... Price: \$230.00 Instructor: Jones, Rebecca Class Min: 5 Max: 14

Come join Ms. Rebecca and Mr. Connor for some FUN ADVENTURES IN THE SUN this Summer! We will be using the DCS Montessori Activities Van to spend a day at the pool, have a Water Balloon Party in the park, splish-splash in Cherry Creek at Castlewood Canyon and enjoy a PIRATE scavenger hunt at Elk Ridge Park. We will also play some Ultimate Frisbee and Capture the Flag, DCS Montessori Style! This is a SUPER FUN Camp for active, excited campers who love gettin' wet and soaking up the sun (remember your sunscreen!).

Exploring Robotics - Co-Ed, 3-7 < Full

Primary Sports Galore < We just added 10 additional spots!

Start Date: 07/24/17 End Date: 07/28/17 Start Time: 9:00 AM End Time: 12:00 PM Class Number: 2017 Primary Sports Camp 7/24-7/28 Price: \$135.00 Instructor: Hedeem, Kathy Class Min: 5 Class Max: 30

This week we will continue to move our bodies and have fun! Each day we will stretch and learn yoga. Also, each day we will focus on a different sport from last month. **These include football, track and field, tumbling and dance, and Taekwondo.** On the last day, we will play in water. We will discuss water sports and have fun getting wet. We will talk about how important it is to move and exercise every day, as well as how moving our body can make us smarter. Also, we will learn about how to make healthy choices when we eat. Each camper will decorate and keep their own t-shirt. Viewing sports and movement as fun will lay the foundation for a healthy and active lifestyle. So come have fun with us!

Primary Afternoon Child Care <We just added 10 additional spots!

Start Date: 07/24/17 End Date: 07/28/17 Start Time: 12:00 PM End Time: 3:00 PM Class Number: 2017 Afternoon Child Care 7/24-7/28 Price: \$135.00 Instructor: Armesy, Jenny Class Min: 5 Class Max: 20 See cover page for details.

Exploring Colorado 1-8 < just 2 spots left

Start Date: 07/24/17 End Date: 07/28/17 Start Time: 9:00 AM End Time: 3:00 PM Class Number: 2017 Exploring Colorado Camp 7/24-7/28 Price: \$245.00 Instructor: Sam Carstens Class Min: 8 Max: 14

In this camp we will be exploring different sites around Colorado. This will include trips to Denver, Mountain towns, Museums, and Parks. Each day we will travel to locations and explore. Including a mine tour, Tattered Cover Bookstore and Botanic Gardens, a working 1800's farm, and the State Capitol. This camp will be a fun and educational experience. A fee of \$15.00 has been added to the price of this camp for the tour of the Argo Gold Mine on Thursday in Idaho Springs. This camp is for students in grades 1 - 8.
