February Upper Elementary Newsletter

Monthly Tip for the Montessori Parent

"7 Reasons Why Sleepovers are Amazing for Kids"
https://www.prima.co.uk/family/kids/advice/a35455/7-reasons-why-sleepovers-are-amazing-for-kids/

Material of the month: Math - Decimal Checkerboard

This material allows students to practice multiplication of decimals. The diagonal squares represent the hierarchies from million to millionths and differentiate between decimals and whole numbers.
