DCSD IT: Infinite Campus Parent Portal
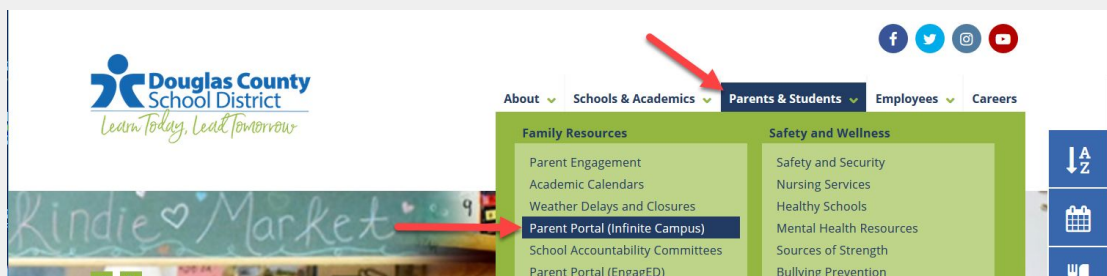

Last Update: 07/02/2019
Author: Valerie Locke

OVERVIEW

This tutorial will demonstrate how to sign in and view student and family information in the Infinite Campus Parent Portal.
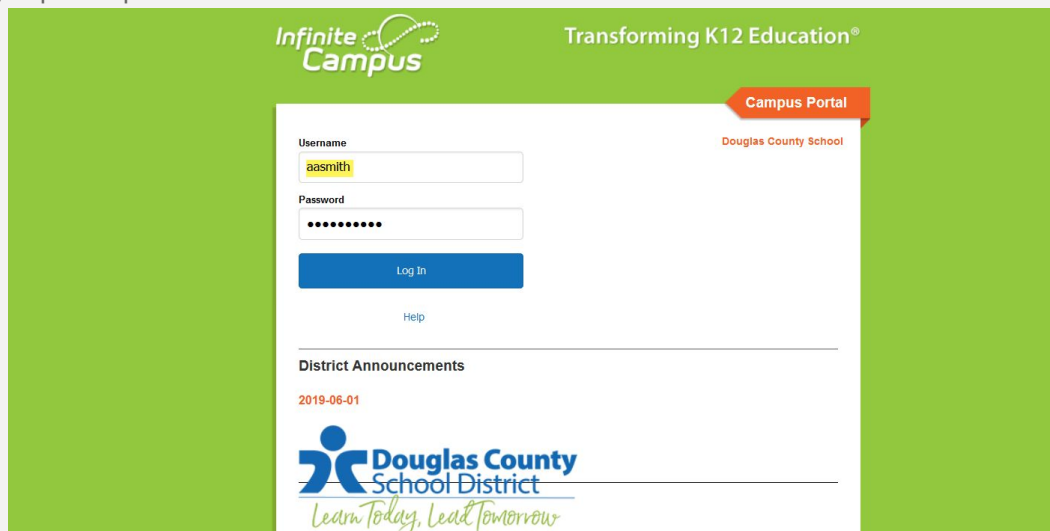

Step 1

Navigate to **https://www.dcsdk12.org.** Select **Parents & Students>Parent Portal (infinite Campus)**

Step 2

Use your parent portal credentials to sign in. *These credentials are identical to those used to access Engaged parent portal.

Step 3

The previous version presented a screen similar to the one below.

Campus Portal   SELECT A STUDENT ▼   Welcome Jo_____n   🏠 Try the new Campus Parent   🔔 Sign Out

Step 5

Once a student specific data element is selected from the left navigation bar, the student name will appear in the upper right. Use the arrow to select a different student (if applicable).

Step 6

To access external links, choose **More** from the left navigation bar and scroll down.

Step 7

Select the person icon in the upper right to access **Settings** and **Log Off**
